INTERIOR

Your Dream, Our Design

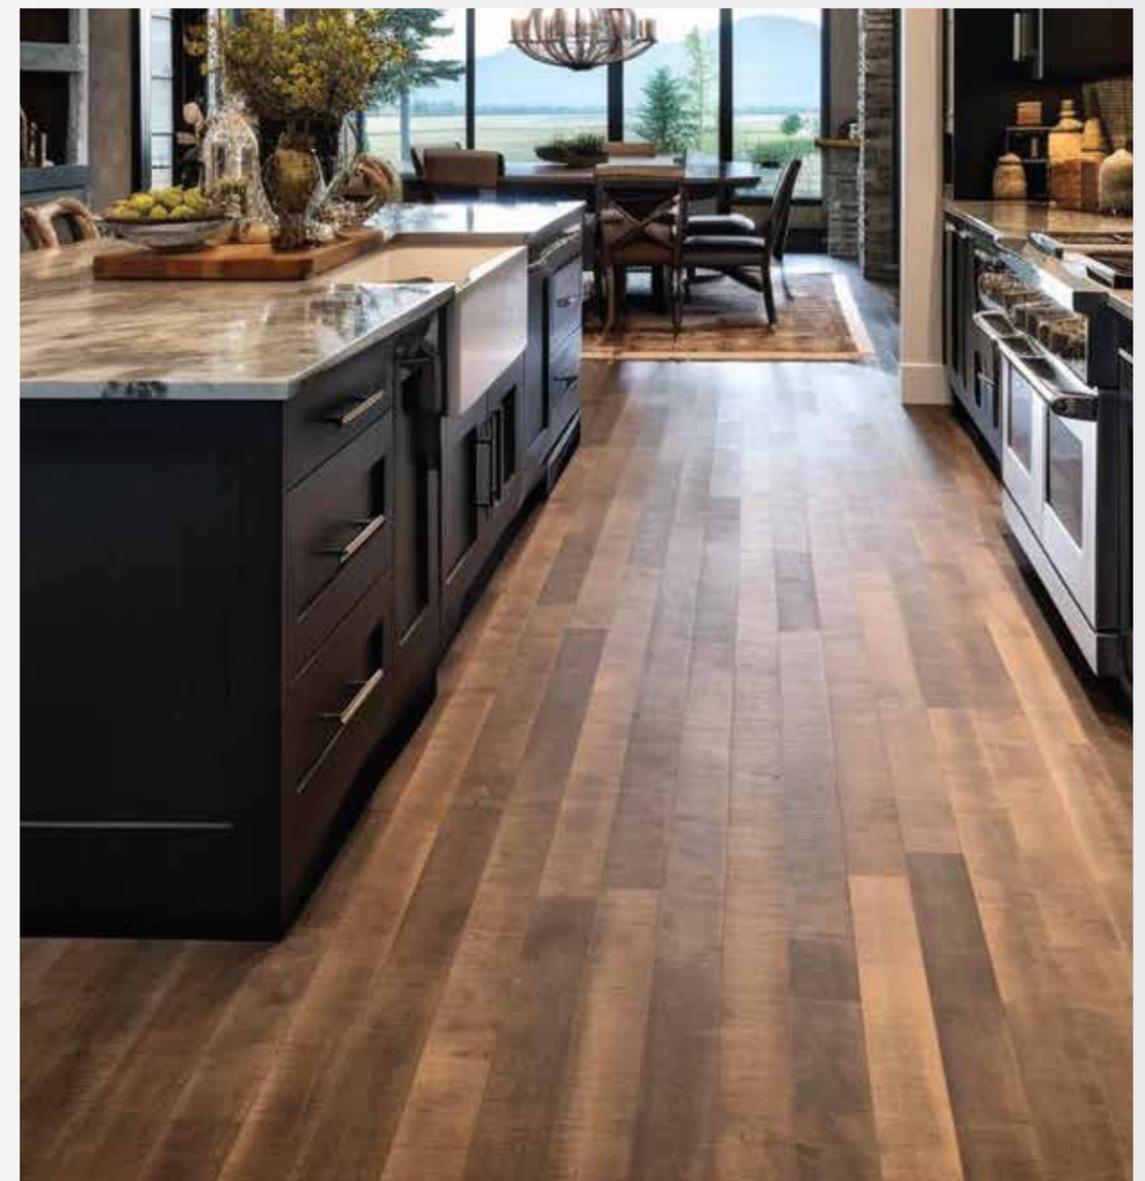

ABOUT US

Since 2007, Europlast Interior a brand owned by Mozart Impex Pvt. Ltd. has been transforming dream interiors into reality.

We specialize in premium wardrobes and modular kitchens that combine modern European aesthetics with the practicality of Indian lifestyles. Our focus is on maximum space utilization, durability, and timeless appeal—making every product a perfect balance of beauty and function.

At Europlast, we use high-quality materials, advanced manufacturing techniques, and meticulous attention to detail to deliver interiors that stand the test of time. From sleek modular kitchens for seamless cooking to stylish wardrobes that organize your world, our designs bring elegance, efficiency, and comfort into every home.

With over a decade of experience and a strong commitment to innovation, quality, and customer satisfaction, we don't just create interiors—we create lifestyles.

Modular Kitchen Benefits

At Europlast Interior, we design wardrobes and modular kitchens that bring elegance, organization, and efficiency into your living spaces.

- **Premium Quality** – Moisture-resistant, durable materials
- **Stylish Designs** – Sleek looks to elevate your bedroom décor.
- **Long-Lasting Durability** – Heat, moisture, and wear-resistant materials.
- **Personalized Designs** – Tailored to your taste and space
- **Quick Installation** – Precision-built for a perfect fit.

L-Shape Kitchen

The Europlast Interior L-Shaped Kitchen is the perfect blend of style, efficiency, and space optimization. Designed to fit seamlessly into corners, this layout provides ample countertop space while keeping all essentials within easy reach.

Key Highlights:

- Space-efficient layout that fits perfectly in corners..
- Smooth workflow with an ergonomic work triangle.
- Ample countertop and storage space.
- Multiple finishes, materials, and design options.

Your Dream, Our Design

U-Shape Kitchen

The Europlast Interior U-Shaped Kitchen offers maximum workspace and storage, wrapping around three walls to create a highly efficient and functional cooking environment. This design is ideal for homeowners who love to cook, providing dedicated zones for preparation, cooking, and cleaning—all within arm's reach.

Key Highlights:

- Maximum countertop and storage capacity..
- Efficient layout with clear workflow zones.
- Ideal for larger kitchens and families.
- Customizable finishes and modular designs.

Your Dream, Our Design

Parallel Kitchen

The Europlast Interior Parallel Kitchen is designed for efficiency and speed, making it a favorite among professional chefs and passionate home cooks. With two parallel countertops facing each other, this layout creates a streamlined workflow—perfect for multitasking and accommodating multiple users at once

Key Highlights:

- Highly efficient layout for faster cooking.
- Two separate work zones for easy organization.
- Perfect for narrow spaces or open-plan homes.
- Customizable designs and finishes.

Your Dream, Our Design

G-Shaped Kitchen

The Europlast Interior G-Shaped Kitchen is a masterclass in maximizing space and functionality. Extending the U-shaped layout with an additional counter or peninsula, it offers unmatched storage, expansive worktops, and a dedicated area for dining or casual gatherings.

Key Highlights:

- Expansive countertop and storage capacity.
- Additional peninsula for dining or serving.
- Ideal for open-plan and large kitchen spaces.
- Flexible design with multiple customization options.

Your Dream, Our Design
